Wildcat Gold plc

New Executive Director

21 August 2026

Wildcat Gold Plc ("the Company") is pleased to announce that technical advisor to the board, Dr Diallo, has now joined the board in the capacity of an Executive Director.

Dr Diallo has previously developed and run multi-million-ounce gold mines across Africa. This practical experience will be utilized by Wildcat as the Company endeavours to get its first gold processing plant operational.

In addition, Dr Diallo will also be tapping into his extensive African mining network in order to source Wildcat gold developmental projects in other countries.

Mandhir Singh (CEO) "With gold prices back on the rise and heading back to their all-time highs, the Company is determined to get its initial gold processing plant operational ASAP. To this end Dr Diallo's input will be crucial to achieving this objective"
